The Deputy Minister

Memorandum:

OTTAWA, 4th February, 1925.

N.O. Coté, Esq., I.S.O.,
Controller.

Application of E.H. McDonald to purchase the Fractional N.W.¼ of Section 4, Township 22, Range 13, West of the 4th Meridian, lying north of the river. Containing a net area of 69.23 acres. Shown on the sketch attached outlined in red.

I beg to submit for your consideration the application above referred to. The land is available according to the departmental records and the applicant claims ownership of the S.W.¼ of Section 9 adjoining, which was patented in the name of Mr. C.E. Hamilton.

The land was reported reserved for leasing but the Timber and Grazing Lands Branch offers no objection to its disposal by sale.

The Inspector in his report hereunder, states that this is only a small piece of land in river banks and flats and is of no value as far as land is concerned, but is only to get water. He thinks it is not worth more than $1.00 an acre and recommends a sale to Mr. McDonald.

Incidentally I may say that the provincial road allowance crosses the parcel in question comprising an area of 3.77 acres.

If a sale is authorized it will require to be subject to the applicant filing evidence of ownership of the said S.W.¼ of Section 9.

Sale recommended at $3.00 an acre.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows: —

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the evening of the following day.

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received.

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

MEMORANDUM:

Application of Peter Aasmo for supplementary patent for that portion of the S.E.¼ 14--50--19, W. 4th M., shown on the plan of survey as covered by water. Shown on the sketch attached.

The applicant in June last filed here a statutory declaration setting forth that the lake shown on the said quarter section is dry except in very wet seasons and that during the past four years there has not been water in the said lake for more than one-third of the time. He added that the whole quarter section was overgrown with grass.

The applicant also filed a duplicate certificate of title showing him to be the registered owner of the balance of the said quarter section for which he was granted homestead patent on the 7th October, 1912.

Mr. Homestead Inspector Cunningham, in his report of the 28th ultimo, states that to his personal knowledge the land has been known for say the last four or five years and, in his opinion, has become permanently dry.

I beg to recommend that the applicant be advised that the preparation of supplementary letters patent in his favour will now be proceeded with. The duplicate certificate of title should be returned to Mr. Aasmo.

GOVERNMENT OF THE PROVINCE OF ALBERTA
DEPARTMENT OF MUNICIPAL AFFAIRS

ADDRESS REPLY
THE DEPUTY MINISTER OF MUNICIPAL AFFAIRS
EDMONTON, ALBERTA

EDMONTON, ALBERTA
May 6, 1947.

Mr. J. W. Judge,
Chairman,
Seed Grain & Relief Adjustment Board,
EDMONTON, Alberta.

Dear Sir:

Re: T.R. Davidson. N.W. 4-10-22-4.
Joint Relief Advances.

The above party obtained the following Joint Relief Advances giving as security liens on the title to the above land.

Mar. 22, 1922	$151.50
April 14, 1920	205.00
	$356.50
Int. to Mar. 31, 1932	277.95
	$634.45

Title to the above land was subject to a prior mortgage held by the Canada Life Assurance Company under which foreclosure action was proceeded with in 1924, resulting in the title being vested in the name of the Company free of all liens.

The debtor continually found himself in difficulties which apparently became progressively worse. The statement as to his financial position dated in 1931 is on file which showed a surplus of four hundred and fifty-three dollars and sixty-four cents ($453.64) but this included the land on which foreclosure action had been carried out. Elimination of this parcel in which the debtor actually had no interest would result in a deficit of approximately two thousand and five hundred dollars ($2,500.00).

(continued)...

(continued)

The debtor eventually moved from this locality with a view to re-establishing himself elsewhere, his present whereabouts being unknown. As all security has now been lost and as there is no possibility of obtaining repayment under the personal covenant I would recommend that the balance be written off.

Provincial Seed Grain Advances of one thousand and thirty-four dollars and four cents ($1,034.04) have already been written off.

Yours very truly,

CHIEF COLLECTOR.

Memorandum:-

I beg to submit for your perusual and consideration Mr. Thos. E. LeClaire's letter of the 7th ultimo, in which he states that his father, himself and a brother are the purchasers and owners of sections 15 and 21, in township 17, range 1, west fifth meridian; that his father has homesteaded that part north and east of Mosquito Creek of the S.E.¼ of Section 22 in the said township, but owing to paralysis he cannot go upon the land, and the request is made that, if either of the sons is not permitted to complete the settlement duties, or the father allowed to transfer his rights in the land to them, they be permitted to purchase the land on which it was the intention to live together, and on which they have erected buildings worth from $1200 to $1500.

The records of the Department show that the N.E.¼ stands as a homestead in the name of Alcide LeClaire and that part of the S.E.¼ north of the Creek in the name of Thomas LeClaire - their entries were interchanged in July last - , and that part of the S.E.¼ south of the Creek is the homestead of P.E.LeClaire, who entered therefor on the 7th April, 1903. Under the present regulations a homestead entry may be granted for a whole quarter section comprising the land on both sides of the

J.W. Greenway, Esq.,

Commissioner of Dominion Lands,

Department of the Interior.

the Creek. I also observe that an interchange fee of $10 was charged each homesteader, whereas, after consultation with Mr. Dixon, I find that the usual interchange fee of $5 only should have been collected from each of them. I, therefore, beg to recommend that a refund cheque of $5 be issued in each case.

As to the application to acquire Mr. Thos. LeClaire, s homestead, I beg to state that there is no way by which, as you are aware, the entrant could assign it to his sons, or the latter could be permitted to perform the settlement duties, as it does not even appear th that the entrant has yet been on the land, but I think that, if his entry is cancelled, the land should be added to the son's homestead, who has entered for that portion of the quarter section south of the Creek; but in that case it would be necessary for them to come to some understanding as to the disposal of the improvements on the father's homestead, otherwise their value would have to be collected for the benefit of the entrant.

The reason application is made to purchase the land jointly is probably because they desire to have their residence thereon count as residence on their respective homesteads. The sketch, hereunder, shows the relative position of the quarter sections in question.

Ref. 90958

Department of the Interior,

Ottawa, 25th April, 1905.

Memorandum:-

Mr. Thomas E. Leclaire states in his letter of the 7th instant, that, as he and his brother have purchased from the Department, the part North and East of the Creek of the S.E. 1/4 of Section 22, Township 47, Range 1, West Fifth Meridian, and, as the rest of the quarter section, which is held under homestead entry by his brother, contains only 50 acres, he would like to purchase the same. He states further that he and his brother, A. Leclaire, have purchased from the Calgary and Edmonton Railway Company Section 15, which adjoins the 50 acres in question, and as they have spent a large sum of money in improvements it would be ruinous for them to lose the parcel applied for. He adds that his brother has fulfilled the homestead duties on the parcel in question.

The land applied for, which contains 49.3 acres not 50 acres, as Mr. Leclaire states, stands as a homestead in the name of the late P.Earnest Leclaire, entry having been made on the 7th April, 1903 and is shown pink on the sketch beneath. The present applicant, Mr. Thomas E. Leclaire, was told by letter of the 7th ultimo that the late Mr. Leclaire's entry for this land would be protected until the 1st June next to allow the legal representatives to appoint some one to go into residence and complete the unfulfilled duties, but that it would not be possible to extend the period until he (T.E. Leclaire) had performed his own homestead duties.

That part of the quarter section, north and east of the Creek, shown green on the sketch, which contains 110.70 acres

acres was sold to Messrs, Alcide and Thomas E. Leclaire at the current rate and on the usual terms on the 10th February last, and I think they might be permitted to acquire at the current rate the remainder of the ¼ section, but in my opinion, as the land still stands in their deceased brother's name, unless the entry is cancelled through the usual cancelation proceedings, they should file letters of administration of the deceased's estate.

Ottawa, 9th March, 1906.

MEMORANDUM:-

Mr. A. Lefaire writes from Montreal, in reply to ours of the 24th January last, telling him that he must be on his Homestead, the NW¼ of Section 22, Township 17, Range 1, West 5th Meridian, by the first instant.

Mr. Lefaire says that on the 30th January, his mother became dangerously ill, the doctors stating that there is no hope of her recovery, which will prevent his going to High River for the present. He says further the Department will grant him alone, or jointly with his brother, this NW¼, as they are in partnership in the NE¼; that he has resided on the land for nearly two years, broken 35 acres of which 15 acres are in fall wheat. He says that he and his brother have had a good deal of bad luck, and that all their money is invested in the land, and they have been working hard for 2 years.

I notice on file No. 9 9581, that Mr. Dixon made a report to you on the 16th ultimo, on Mr. Thomas A. Lefaire's request that his brother Alexis might be permitted to purchase his Homestead. This was refused, and Mr. Lefaire informed accordingly, by our letter of 23rd ultimo. He was told, however, that his mother would be given a further extension, until the first of May next.

I would recommend that Alexis Lefaire be advised to the same effect.

The Right Honourable Sir Wilfred Laurier,
Ottawa, Ont.

Honourable Sir,

[illegible] you;

[illegible]

First I must tell you that I am here since three years, coming from the state of Missouri, U.S.A., to come here by your relative, Mr. Chas. Fournier, of Marquette, Man., whom I know and consider as an intimate friend

I don't regret to have come here to this country, but being in want, I dare to ask you if you will have the kindness to recommend me to the Honourable Frank Oliver the Minister of Interior.

I am here in partnership with my brother. We have both taken a homestead, in April, 1905 and have bought a piece of land from the C.E.Company. My brother has resided upon his homestead during nearly two years, but now, through lack of means, he thinks he cannot complete his residence and neither have we the capital necessary to allow us both to live upon this property. So, my brother is obliged to work out for the living of his family, and that he could do much better, with his trade, in Montreal

than in

than in the West.

So, my brother asks that the Minister of Interior allowns him to purchase his homestead, whether in his own name alone or in his and mine jointly, begging that the residence performed on the homestead should be taken into consideration, also the improvements, which consist of 65 acres under cultivation, &c.

The few dollars we had have been spent in improvements on this land, and, as you understand, it would be ruinous for him and for myself if the Department would take cancellation proceedings against this homestead.

[illegible] recommendations from the principal citizens in Montreal, among them the Protonotary. Professor Lemoine I have always considered as a father.

I [illegible] you to intercede [illegible] near the Minister of the Interior.

[illegible] we were not born speculators, but unfortunate families [illegible] to have [illegible] dollars for their old age.

I hope, Honourable Sir, that you will believe me to be

Your very humble and devoted servant,

Thos E.Leclaire.

The Right Honourable Sir Wilfred Laurier,

Honourable Sir,

Forgive the liberty I take in writing you; but want drives me to do it.

First I must tell you that I am here since three years, coming from the state of Midigan, persuaded to come here by your relative , Mr. Chas. Laurier, of Marquette, Mich., whom I know and consider as an intimate friend

I don't regret to have come back to the country, but being in want, I dare to ask you if you will have the kindness to recommend me to the Honourable Frank Oliver the Minister of Interior.

I am here in partnership with my brother. We have both taken a homestead, in April, 1903 and have bought a piece of land from the C.P.Company. My brother has resided upon his homestead during nearly two years,but now, through lack of means, he thinks he cannot complete his residence and neither have we the capital necessary to allow us both to live upon this property. So, my brother is obliged to work out for the living of his family, and that he could do much better, with his trade, in Montreal than in

So, my brother asks that the Minister of Interior allows him to purchase his homestead, whether in his own name alone or in his and mine jointly, begging that the residence performed on the homestead should be taken into consideration, also the improvements, which consist of 65 acres under cultivation, &c.

The few dollars we had have been spent in improvements on this land, and, as you understand, it would be ruinous for him and for myself if the Department would take cancellation proceedings against this homestead.

We have recommendations from the principle citizens in Montreal, among them the regretted Mr. Prefontaine whom I have always considered as a father.

I take the liberty to ask you to intercede for us near the Minister of the Interior.

Be assured that we are not land speculators, but Canadians working hard and trying to save a few dollars for their old days.

I beg, Honourable Sir, that you will believe me to be

Your very humble and devoted servant,

MEMORANDUM:-

This is an application from Thomas E.Leclaire, addressed to the Premier, asking that his brother, Alcide Leclaire, be allowed to purchase his homestead, the North East 1/4 of Section 22, Township 17, Range 1, West of the 5th Meridian, or that the ~~same~~ sale might be made to them both, jointly.

He claims that his brother has resided nearly two years on his homestead, but through lack on means is unable to complete the duties and desires to go to Montreal and work his trade.

He is evidently afraid that the land may be lost by cancellation, there being an application for inspection now on File.

I may draw your attention to the sketch plan below, showing that the South East has been sold to these brothers who also appear to be the owners of Sections15 and 21 in the same Township.

Respectfully submitted,

In reply to your letter of the 16th July last, which has only recently been brought to the attention of the Commissioner, I am to inform you that, as all homestead entries are granted by the local agents of Dominion Lands, it is always more satisfactory to communicate direct with them, as they are in the best position to give advice as to what lands are available for entry.

With regard to the quarter sections mentioned in your letter, I am to say that, according to the records of the Department, the homesteader on the North East ¼ of Section 22, Township 17, Range 1, West of the Fifth Meridian, by residing and cultivating by living on purchased land near, is supposed to be making the necessary improvements, the entry is not liable to cancellation just now.

The South East ¼ of this section, which was held by J. A. Leclaire (now deceased), has been disposed of by sale to his brother.

The North West ¼ of Section 14, in the same Township, is the patented homestead of Thomas A. Leclaire, who completed the residence conditions by living with his father in the vicinity.

There seems to me no objection to do that, because, according to the laws and regulations of the Department, the petitioner Alcide Leclaire has habited the said land during three years, the two homesteads above mentioned being adjacent.

Moreover, the two homesteads are now possessed the north eastern part by Alcide Leclaire, and the south eastern part by same Alcide Leclaire and his brother Thomas E. Leclaire, having acquired it from their father, Thomas Leclaire sr.

Consequently, Mr Alcide Leclaire wants to make an application to get from the Government his letters patent for the said homestead north eastern part.

Will you kindly tell me if there is any objection to this petition.

M. Gustave Boyer, M.P.,
Ottawa.

My dear Sir :-

On the 7th April 1903, Alcide Leclaire acquired the homestead South eastern part, one fourth of section 22, township 17th, range 1, west 5th Meridian.

During August 1904, he exchanged the said homestead with his father's homestead Thomas Leclaire, being the north eastern part, one fourth of same section, same township, same range, and same meridian, with the authorization of the Governmental authorities.

Alcide Leclaire lived one year on first homestead and two years on the second which he had by the exchange above mentioned.

To have the right of asking for his letters patent, one must have habited his homestead six months a year during three consecutive years. Now the object of the petition of Alcide Leclaire is as follows :-

He lived one year on first homestead and two years on the second homestead which he had by exchange; now he wants to have his three years habitation to be applied to the same homestead, and consequently, wants to have his letters patent for his homestead, being the north eastern part, one fourth of section 22, township 17, range 1, west

Mr.Oliver,
Minister of the Interior dept.Ottawa,Ont.

My dear Sir,

I have the honour to enclose you herewith a letter from Mr.H.Schetagne,Attorney,for Mr.Alcide Leclair of High River, N.W.T.

I have already written to you concerning this very same matter and without any results so far.-

I can't help thinking that your Department did not give my letter all the attention it required.-Nevertheless I hope that I will be more fortunate this time and that I will soon hear from you,-and that you will give your kind attention to my request and bring a solution in the way anticipated.-

Yours very truly,

MEMORANDUM:-

Mr. Boyer, M.P., writes to the Minister about the North East 1/4 of Section 22, Township 17, Range 1, West of the 5th Meridian, and complains that his former communication did not receive all the attention it required.

There is no previous communication from Mr. Boyer on this file.

The request which he now submits is made by H. Sebastigne, Attorney for Alcide Leclair, asking that the latter be allowed to apply for patent on the ground that the necessary residence has been performed in the following way, namely, one year on the South East 1/4 of the same section, which he formerly held as a homestead, and two years on the North East 1/4 for which he exchanged it, and which he holds under entry.

It would not be in accordance with our practice to count in connection with the second homestead the time spent on the first one.

Whenever an exchange is allowed, it is customary to count the time from the date of the second entry, except in cases where the transaction is between father and son, and residence is continued with the father.

Respectfully submitted,

J.W. Greenway, Esq.,
Commissioner of Dominion Lands,

The Committee of the Privy Council have had before them a Report, dated 20th August, 1924, from the Minister of the Interior, representing that under the provisions of section 6 of the Soldier Settlement Act, Chapter 13 of the Revised Statutes of Canada, 1927, the Minister of the Interior was empowered, at the request of the Soldier Settlement Board of Canada, to reserve, or, with the approval of the Governor in Council, to transfer to the said Board, any Dominion Lands under his administration;

That by Order in Council of the 30th October, 1918, P.C. 2659, further provision was made in the case of particularly valuable Dominion Lands becoming available for the purpose, that such lands be set apart for soldier settlement, to remain specially reserved for disposition later, as may be deemed proper with the approval of the Governor in Council;

That in pursuance of the foregoing, certain parcels of land, described in the annexed schedule, have from time to time been placed under the administration of the said Board, and have been disposed of under regulations framed by the Board and approved by the Order in Council of the 12th March, 1919, P.C. 543; and

That application has now been made for the issue of title thereto in the name of the Board;

The Minister, therefore, recommends that title to the lands described in the schedule attached hereto, comprising an area of 25,560.00 acres, be transferred to the Soldier Settlement Board of Canada in the right of the Dominion, subject to the usual reservations with regard to mines, minerals, water rights and springs.

The Committee concur in the foregoing recommendation and submit the same for approval.

Sir,

I beg to acknowledge the receipt of your statement dated the 14th September last, and I regret to say that it would seem that you are in a position to apply for patent for your homestead, NW4 River Lot 54, Township 40, Range 21, West Fourth Meridian. Re. 27536

Department of the Interior,

Office of the Commissioner of Dominion Lands,

Winnipeg, Man., 29th June, 1893.

Sir,

In reply to your letter of the 21st instant, [illegible] on 606, I beg to say that if Mr. Pierre Cyr will furnish a plan of survey embracing a proportion of the frontage of lo 3-4- W.4th M. which his homestead entry may be allowed to cover, there would, I think, be no objection to granting him entry for such land, and the remaining 40 acres could be disposed of in the manner you suggest: or the applicant might be required to purchase the 40 acres in question: if this condition is expressly stated in the Interim Receipt as well as in his application for entry it might now be enforced but, I imagine, not otherwise.

In the former case a plan of survey must of course be furnished by a duly qualified Dominion Lands Surveyor, and must be approved by our Surveyor General before it can be placed on record or utilized in the issue of Letters Patent.

As I am not altogether clear as to the correct course to be followed in this instance, a copy of my letter is being sent to the Secretary of the Department with a request that he will be good enough to give you the necessary final instructions as to the procedure, and at the same time advise me for my future guidance in dealing with similar applications. Meantime you can hold Mr. Cyr's application in reserve.

Sir,

I have the honor to state that Pierre Cyr a French half breed, is in residence upon River Lot 84 Tp 40 21 West of 4 M upon which he has made substantial improvements. This Lot contains 200 acres. Cyr has not made entry. He states that the surplus of forty nine acres over the ordinary home-stead is unfit for cultivation and that he should not be called upon to pay for it. He was advised to employ a surveyor whose report would be submitted to the Department for consideration. I desire to be informed, if as surveyor's report shows the surplus 49 acres unfit for cultivation, Cyr will be called upon to pay for it. The land may be valuable for pasture.

LETTER No 9314

REFERENCE No. 3307

333966 Calgary, 25th August 1913

Sir;-

In reply to yours of the 2nd inst. Ref. 333.966 I would state that the most equitable way would be to grant him entry for 160 acres of either the east or west side of the lot as the applicant might desire. The 160 acres to be granted, to have its easterly and wes-terly limits parallel. Another way to grant the entry would be to grant him 160 acres from off the north end of the lot the southerly limit to be parallel to the northerly limit of the said township. Or what would pro-bably be better is, to reserve what would correspond to ~~xxx~~ Legal Subdivision 11 of Section 4 from lot No. 34. This would leave the homesteader to pay for nine acres giving him the remainder of the lot, in all 169 acres. Before carrying out either of these suggestions however, I think, it would be well to refer the matter to the Topographical Branch of your Department, as from what I could learn, there are some technical matters to be con-sidered in connection with the granting of this entry which probably should be attended to before finally dis-posing of the same and also get an opinion from them as to whether the proposed reservation should be as I sug-

The Secretary of the suggest

Department of ~~Agriculture~~ the Interior,

Ottawa, Ont.,

suggest,namely out of L.S.11 of Sec.4 or the southerly twenty chains of lot 34 and also as to whether entries, or at least patents,to these lots could not be granted by Legal Subdivision instead of by lot. The point at issue as I understand it is rather complicated and I am not as familiar with these river lot surveys as it is advisable I should be before finally recommending what action should be taken. It would be utterly impossible to lay out river lots and at the same time give each one his 160 acres and preserve anything like system in the division. When the Department has taken the trouble to meet these settlers wishes,I do not think it could be considered unreasonableness,to ask then meet the Department to the same extent. That is,if a man insists upon taking a lot exceeding 160 acres,it is not too much to ask him pay the excess in area over the 160 acres, leaving him free to select any portion he sees fit.

By taking the 40 chains of the southerly limit of the lot,the probabilities are,that the excess could be more readily disposed of than by taking it as a strip lying along the full length of the lot; in either case, however,the residue would no doubt in time be disposed of.

The majority of these half breeds settled upon these river lots will no doubt dispose of their claims as soon as

soon as the title to them issues and the purchasers will undoubtedly desire to obtain, if possible, the full area of the lot so as to round out their holdings.

TOPOGRAPHICAL SURVEYS BRANCH,

Ottawa, 4th. November, 1893.

Memorandum

The plan of Township 46, Range 21, West of the 4th Meridian has been examined and it was found, besides Lot 34, there are twenty-two lots which contain more than 160 acres.

If the excess over 160 acres is to be deducted from all these lots, it will have to be done by cutting off the excess from the rear or from the side of the lots. In the first case, there will be a number of fractional quarter sections at the back of the lots; in the second case there will be narrow strips here and there between the lots.

I Pierre Cyr, claimant to Lot. 34 Tp. 46 Rg. 21 west 4th Meridian, farmer, declare and say. I am 58 years of age married and three children, born in St. Boniface have received head of family scrip for Manitoba never had a homestead. Came from St. Boniface ten years ago, laid claim to lot 34 nearly three years ago and never left it. Have now ten acres broken, log house and four stables, have 20 cattle, 9 horses and 17 pigs. One G Garriss once laid claim to this lot, died about 11 years ago. His mother remained on it about two years after his death, when she left and now claims lot 31 in this township. No one lived on it after she left, until I took possession of it except one Mr. Tims, a trader, who lived in Garriss old house one winter. When I took possession, the improvements of Garriss were valueless. In May last I applied at the land office at Wetaskiwin for entry; but to effect same as I was informed I would have to pay for all the excess over the 160 acres. I desire the southerly 160 acres of the lot.

And I make this solemn declaration conscientiously believing the same to be true and knowing it has the same force and effect as if made under oath and by virtue of the "Canada Evidence Act of 1893".

Declared before me at Lot 42 Tp. 46 Rg. 4w. of the 4th Meridian this 18th day of October 1893.

Should cancellation be carried out?

Mr. Alexander Porter homesteaded the S.E. of Section 4, Township 11, Range 2, West of the 2nd Meridian, on the 12th December, 1903. Application for patent was made on the 27th June, 1904.

The Homestead Inspector, in his report, dated 22nd October last, in reporting against Porter, stated that "this homesteader does not seem to have made any effort to comply with the regulations. He does not consider his home duties as an excuse, but he has not been heard from."

Homestead Inspector, in a letter, dated 3rd April last, states that the homesteader is not in possession; that he is a resident of Winnipeg, Manitoba, and has never visited the property (Alberta); that the improvements consist of a shack 10x12, worth $75, and 5 acres of breaking. The Inspector states that the homesteader has not shown any effort to comply with the regulations. I would recommend cancellation.

Irwin, Alberta, Joseph Mathias.

As I have a request to make of you, be kind enough to write me at once. I am the man, Joseph Mathias, who wrote to you that on the North East Quarter, Section 26, Township 7, Range 2, 4th Meridian, I had found gold in the well like sand, that is certainly true, but I am too poor to be able to have it ------ as you have written, so I must give it up, and now the Government can do what it likes but I should advise you to send a man to examine into the affair and to put up a place for smelting gold, or to let some one take it up.

Your friend,

(Sgd.) Joseph Mathias,

Irwin, Alberta,

Canada.

As I should also like to beg you to give me information about land, I have built on the North East Quarter, Section 26, Township 10, Range 2, but when I went to the city Medecine Hat to take it up, I was told that I could not take it up, it was all Indian dry land, so I beg the Government to be so kind as to give me this claim , i.e. North East Quarter, Section 26, Town.10 Range 2, Fourth Meridian, if it is possible, then I beg for information about Section 4, Township 11, Range 2, South East quarter, Fourth Meridian, It is said to have been taken up 4 years ago, and nothing has been done on it yet, except that Potter Borthers have put up a fence for half a mile on one side in order to keep back the cattle, so as to make hay. Please give me one of these two claims. For finding the gold will the Government please do what it can for me.

Please send information as quickly as possible, because 2 summers have already been lost for me, as I should not like to go away from Canada, but I must do so if I cannot obtain land here for I am too poor to seek further for land. I hope the best from the Government, that it will do for me what it can. The Lord Jesus be with you and with us. Amen.

Honourable Government,

As I received a letter on the 6th September from you, saying that I should at once go to Lethbridge about the land South West quarter, Section 4, Township 11, Range 2, and as I was poor I had no money, but the letter was direct from the Government, so every one said that it was a free piece of land and I must borrow the money, and so, you are certain that the Government has just said to" it was as good as if I had it. So I borrowed the money and went on the train on the 8th October to Lethbridge to the Dominion Land Office, and I took the letter from the Government with me, but when I went in the land office I said that I wished to have the South West quarter of Sec. 4, Tp. 11, Rge 2., then he said that it was already taken. I said to him " But you did not write to me, but I have got the first letter FO Sugg" then he started, as he did not know, so I showed him the letter, and I had received from him. Then he said a half-breed was before me, but he will not tell me the name. Then I drew a letter from the Government from my pocket and asked whether he could give it to me now; then he got somewhat red in the face for a short time, and then he said the Government as nothing to do with me, he said the Government must wait until I inform them, and it is closed and a secret sale from it. Then I asked him how it was with the North West quarter, Sec. 4, Tp. 11, Rge. 2, he said it was bought, and they must break on it and build and in three years they could claim it as their own. From this I cannot say how or by whom this matter has been arranged, but there is some queer story behind it, and I must go home again without a homestead. Now

QUERY

ANSWER

File 911130

Department of the Interior,

Land Patents Branch,

Ottawa, October8th, 1907.

Memorandum:-

The entry of Alexander Porter for the S.E.¼ of Section 4, Township 11, Range 2, West of the 4th Meridian, was cancelled in June last, according to your instructions, the facts of the case having been set out in a memorandum of Mr. Scott dated 3rd June, 1907, on this file and to which I beg to call your attention.

Under date 24th June Joseph Mathias applied for entry for the N.E.¼ of Section 26, Township 10, Range 2, West of the 4th Meridian, or for the above land stating that nothing had been done on it except that the Porter Brothers, has put up a fence for half a mile on one side in order to keep back the cattle, so as to make hay, and in reply was informed on the 19th August that the N.E.¼ of Section 26, belonged to the Hudson Bay Company, that the S.E.¼ of Section 4, Township 11, Range 2, West of the 4th Meridian, would appear to be available for homestead entry and that the Agent at Lethbridge had been advised that if he, Joseph Mathias, was eligible and the first applicant he might grant him entry if he knew of no reason to the contrary, and that he should present himself at the Dominion Lands Office at the earliest opportunity for the purpose of making entry.

On the 12th July the acting agent advised Mr. Mathias that this quarter section was under offer to an applicant for 30 days from the 8th July (8 August) and on the 17th of August he notified Mr. Mathias, in reply to his letter

J.W. Greenway, Esq.,

Commissioner of Dominion Lands,

Ottawa.

letter of the 8th August that halfbreed scrip had been applied thereon and it was not therefore available for homestead entry.

Under date of 13th of September, Mr.Mathias protests against the location of halfbreed scrip on the S.E.¼ of Section 4, Township 11, Range 2, West of the 4th Meridian, stating that he went to the office at Lethbridge on the 9th September and presented the letters from the Government, which he received on the 6th September.

This letter is probably the one dated 20th August, referred to above, in which he was told that the Agent could grant him entry if he was eligible and the first applicant.

The halfbreed scrip located on his land is that of Eliza Mc.May, and was located by her before the sub-agent, L.B. Cochrane at Medicine Hat, on the 8th August, and confirmed by Agent at Lethbridge on the 13th August.

On the 14th September, Eliza Mc.May, assigned the quarter section to Messrs. James Porter and Robert I. Porter both of Irvine, Alberta, but this assignment has not as yet been registered in the Department.

Although not stated in the file it appears probable that Messrs. James and Robert Porter, to whom Eliza Mc.May assigned her halfbreed location, are brothers of Alexander Porter, the homesteader whose entry was cancelled and that this is only another way of applying scrip to his homestead, which was not in good showing.

In the application for locating the halfbreed scrip it is stated, "Ploughing has been done two years, now grown up with weeds, not considered any improvements, there is on the place about $15.00 worth of wire."

This

This wire is probably the fencing referred to by Mr. Mathias and the Homestead Inspector in his reports of the 6th March, and 30th April, 1907, and if it is considered an improvement then the halfbreed location should not have been accepted, as halfbreed scrip cannot be located on improved lands.

There have been several applicants for this quarter and the file does not disclose who was the first, but in view of the way the halfbreed scrip has been located, and the question of the improvements ($15.00 worth of wire) and from the fact that Mr. Mathias considers that he has not been fairly treated, I would suggest that the agent at Lethbridge, and the sub-agent at Medicine Hat, be asked for a report on the matter, and that no action be taken towards registering the assignment from Eliza Mc.K[illegible] to the Messrs. [illegible]orter, until such reports are received.

Mr. Mathias' request for information respecting the N.E.¼ of this section is being replied to on another file.

The entry of Alexander Porter for the S.E.¼ of Section 4, Township 11, Range 2, West of the 4th Meridian, was cancelled in June last, according to your instructions, the facts of the case having been set out in a memorandum of Mr. Scott dated 3rd June, 1907, on this file and to which I beg to call your attention.

letter of the 8th August that halfbreed scrip had been applied thereon and it was not therefore available for homestead entry.

Under date of 13th of September, Mr.Mathias protests against the location of halfbreed scrip on the S.E.¼ of Section 4, Township 11, Range 2, West of the 4th Meridian, stating that he went to the office at Lethbridge on the 9th September and presented the letters from the Government, which he received on the 6th September.

This letter is probably the one dated 29th August, referred to above, in which he was told that the Agent could grant him entry if he was eligible and the first applicant.

The halfbreed scrip located on his land is that of Eliza Mc.Kay, and was located by her before the sub-agent, L.B. Cochrane at Medicine Hat, on the 8th August, and confirmed by agent at Lethbridge on the 13th August.

On the 14th September, Eliza Mc.Kay, assigned the quarter section to Messrs. James Porter and Robert L. Porter both of Irvine, Alberta, but this assignment has not as yet been registered in the Department.

Although not stated in the file it appears probable that Messrs. James and Robert Porter, to whom Eliza Mc.Kay assigned her halfbreed location, are brothers of Alexander Porter, the homesteader whose entry was cancelled and that this is only another way of applying scrip to his homestead, which was not in good showing.

In the application for locating the halfbreed scrip it is stated, "Ploughing has been done two years, now grown up with weeds, not considered any improvements, there is on the place about $15.00 worth of wire."

This

This wire is probably the fencing referred to by Mr. Mathias and the Homestead Inspector in his reports of the 6th March, 1906 and 30th April, 1907, and if it is considered an improvement then the halfbreed location should not have been accepted, as halfbredd scrip cannot be located on improved lands.

There have been several applicants for this quarter and the file does not disclose who was the first, but in view of the way the halfbreed scrip has been located, and the question of the improvements ($15.00 worth of wire) and from the fact that Mr. Mathias considers that he has not been fairly treated, I would suggest that the agent at Lethbridge, and the sub-agent at Medicine Hat, be asked for a report on the matter, and that no action be taken towards registering the assignment from Eliza Mc.Kay to the Messrs. Porter, until such reports are received.

Mr. Mathias' request for information respecting the N.E.¼ of this section is being replied to on another file.

Sir,

With reference to your favour of the 17th ultimo, File 911,130, in connection with the location of Half-Breed scrip on the S.E. ¼ of Section 4, Township 11, Range 2, W. 4th M., I beg to state that this land was entered for as a homestead by Alexander Porter on the 11th of December, 1902. Cancellation proceedings were taken against this entry on the 27th of June, 1904, on the application of J. Schlaht and the entry was finally cancelled on the 6th of July last. Mr. Schlaht was then given an option of thirty days within which to appear here and make entry but failed to do so and the land became available for entry by the first eligible applicant on the 8th of August. The first communications received from Mr. J. Matties were on the 5th and 6th of July and he was advised that the land was under offer to an applicant for thirty days from the 8th idem. This gentleman again communicated with this office on the 10th of August and was advised that the land had been located under Half-Breed scrip. I have no record of the date when Mr. Matties appeared at this office to make entry for this land but would point out that he was not advised that he would have first chance to make entry after the option of thirty days expired and the information given him was correct according to the records here. I would further point out that he was not advised by this office to appear in order to make entry and it is presumed the letter to which he refers is the Departmental letter of the 29th...

Irvin, Alberta, Canada.

Joseph Vattiss.

Honourable Government,

I have received a letter from you, and I see from it, that I should receive word from Lethbridge about the claim for land North East Quarter, Section 4, Township 11, Range 2, which was made a grant, which I should now the first right to take up. Up to now I have not had any word from Lethbridge. Please write and let me know whether I can still have it for a homestead or not, for it is not right that I should be left so in the dark; please say right out in a letter, whether I can have it or cannot have it. Be so kind as to write it to me, for I do not get any answer from Lethbridge. [illegible]

I remain

Your friend

(Sd.) Josef Vattiss.

The second thing is, Honourable Government, that I sent you on the 12th August, if I do not mistake, some of the gold-sand from the North East Quarter, Section 26, Township 7, R.2, but have not as yet had anything from you yet as to what it really is, or as to whether you have really received it. I have the receipt still in sending it off, but from [illegible] have not heard anything yet. As I have waited so long, I thought I [illegible] just ask you, whether you have received it or how you have found it, whether it is all right or not. Please write me all about it, for I have waited so long to hear something from you. Why did you not write to me about the gold?

Your friend,

Ref. 911130

Department of the Interior,

Land Patents Branch,

Ottawa, ~~31st December~~, 1907.

Memorandum:-

Mr Josef Mattias made application for homestead entry for the S.E.¼, Section 4, Township 11, Range 2, West of the Fourth Meridian, this land being the cancelled homestead of Mr Alexander Porter. (Mr Clendon's memorandum of the 8th October last, in which the facts of the case are fully set forth).

Mr Mattias was told by the Departmental letter of the 29th August last, thatthis quarter section appeared to be available for homestead entry, and that he might be granted entry for the parcel if the Local Agent knew of no reason to the contrary. A copy of this letter was sent to the Agent.

It appeared, however, that before Mr Mattias made application for the parcel at the Dominion Land Agency, an application to locate halfbreed scrip on the property had been received. Halfbreed scrip was in consequence located on the quarter section on the 5th August last, the locatee being Eliza McKay, and on the 14th September last, the locatee assigned the quarter section to Messrs James and Robert D. Porter. This assignment has not yet, however, been registered in the Department.

Mr Mattias protested against this location having been accepted, maintaining that he was a prior applicant.

J.W. Greenway, Esq.,

Commissioner of Dominion Lands.

It transpired, also, that there were improvements on the property, the application for location containing the following statement: "Ploughing has been done two years, "now grown up with weeds, no considered any improvements, "there is on the place about $10.00 worth of wire."

The suggestion was made that the Agent at Lethbridge and the Sub-Agent at Medicine Hat be asked for a report on the matter, and that no action be taken towards registering the assignment from Eliza McKay to the Messrs Porter until such report had been received. You approved of such suggestion, and the necessary instructions were sent to the officials mentioned.

The Agent now states in his letter of the 7th instant, that the land in question was entered for as a homestead by Alexander Porter on the 11th of December, 1902; that cancellation proceedings were taken against his entry on the 27th June, 1904, on the application of one J. Schlaht, and the entry was finally cancelled on the 6th of Jul, last. Mr Schlaht was then given a notice of 30 days in which to appear to make entry, but failed to do so, and the land became available for entry by the first eligible applicant on the 8th August.

The Agent states further that the first communication which was received from Mr Mattias was on the 8th July, and that he was advised that the land was under an option to an applicant for 30 days from the 8th idem; also that Mr Mattias again communicated with him (the Agent), on the 10th of August, and was advised that the land had been located under Halfbreed scrip.

The Agent

The Agent represents further that he has no record of the date upon which Mr Mattias appeared at his office to make entry for the property, but that he was not advised that he would have the first opportunity of making entry after the option of 30 days had expired.

The Agent also points out that Mr Mattias was not advised by his office to appear in order to make entry, and adds, with reference to the improvements on the quarter section, that the Homestead Inspector's valuation of these improvements was paid into his office.

Mr Mattias now urges in his letter herewith that he be advised specifically as to whether or not he may obtain entry for the parcel.

The Agent was asked for an explanation as to why the location of scrip upon improved land was accepted, and he did not make any direct statement in this regard.

In this connection, I may say that, under the Departmental regulations, scrip may not be located on land which is occupied or improved, and that all Agents of Dominion Lands were advised accordingly by circular letter. We have, however, in a few special cases allowed scrip to be located on improved land, upon payment of the value of the improvements.

It would seem from the statement made in the application for the location of the scrip that the wire fencing worth $15.00, which apparently was the only improvement on the property, was "not considered to be any improvements" ; and the Agent might have taken the position that if a piece of land only had improvements to the extent

of $15.00

of $15.00 worth of fencing, it could not be considered "improved land."

It would seem, as the assignees of the Halfbreed locatee in this case, Messrs James and Robert D. Porter, are in all probability brothers of the former entrant, Alexander Porter, that there might be a possibility of collusion in the location of the scrip, but there is no direct evidence to support a supposition of this kind; and the only point on which it would seem necessary to decide is, whether the Agent should have refused the location on the ground of the so-called improvements.

MEMORANDUM.

Ref. No. 911144..

INSTRUMENT OF CANCELLATION.

Whereas a mistake has been found to exist in the body of the Dominion Lands Patent (Homestead) for The North East quarter of Section Twenty-eight , in the Third Meridian, in the Twenty-ninth Range, West of the Fourth Meridian, in the Province of Alberta, in Our Dominion of Canada, as shown upon a map or plan of survey of the said Township, approved and confirmed at Ottawa on the 21st day of December, A,D,, 1906, by Edouard Deville, Surveyor General of Dominion Lands and of record in the Department of the Interior, to Orville M. Cox, of Township Three, Range Twenty-nine, West of the Fourth Meridian, in Our said Dominion of Canada, Farmer, and dated the Twenty-sixth day of November, A.D., 1907, wherein by clerical error and wrong description the land thereby intended to be granted is described as above, whereas in truth and in fact it should have been described as the North-East quarter of Section Twenty-eight, in the Third Township, in the Twenty-ninth Range, West of the Fourth Meridian, in the Province of Alberta, in Our Dominion of Canada, as shown upon a map or plan of survey of the said township approved and confirmed at Ottawa on the 21st day of December, A.D., 1906, by Edouard Deville Surveyor General of Dominion Lands and of record in the Department of the Interior.

Now therefore by virtue of the powers and duties conferred upon and vested in me by Section 203, of Chapter 55, of the Revised Statutes of Canada, 1906, I do hereby direct the said patent to be cancelled and a correct one to be issued in its stead which correct patent shall relate back to the date of such cancelled patent.

J.W. Greenway, Esq.,

Commissioner of Dominion Lands,

Sir,

Louis Clark and two sons settled three years ago on unsurveyed land in 56-11-4. At that time there were surveyed mounds to the North of the township, but the stakes were rotten and the numbers could not be made out. Mr. Clark supposed that he had settled on Section 36, but since survey he finds that he is on 35656-11-4. He has upwards of $2,000.00 worth of improvements in buildings and cropping, besides the breaking, crop on the homesteads of his two sons.

I hope it will be possible to protect the homesteads of the Messrs. Clark on the grounds that they were settled before survey.

Yours respectfully,

(Sgd.) Frank Oliver.

Copy for File 911150

Department of the Interior,
Ottawa, 26th July, 1904.

Memorandum:-

I beg to report as follows on the letter addressed to you by Mr. Frank Oliver, M.P., respecting the claims made by Mr. Louis Clark and his two sons for homestead entry for part of Section [illegible], in Township 46, Range 11, West [illegible] Meridian, upon which it is stated they settled by mistake, thinking they were on section 36, and upon which section 36 they have upwards of $2,000.00 worth of improvements, [illegible] buildings and fencing:-

The [illegible] of section 36, Mr. Young reports, was acquired by the Canadian Pacific Railway Company on the 23rd December, 1901, as part of the Land Subsidy. The Agent of Dominion Lands at Edmonton reports in his three letters of the [illegible] the applications of Louis Clark, W. Clark and Thomas Clark.

Mr. Louis Clark applies for entry for the S.W.¼ of Section 35, upon which he has been living since 1901. He has a house valued at $300; stables valued at $400; store valued at $100 and 6 acres broken. (Ref. 911154).

W. Clark applies for the S.E.¼ of the said section 35, upon which he has a house worth $[illegible] 10 acres broken, and 160 acres fenced, and has been residing on the land for three summers. (Ref. 911152).

Application was also made by Mr. Louis Clark for his son, Thomas Clark, who will be eighteen years of age on

J.W. Greenway, Esq.,
Commissioner of Dominion Lands.

of the 1st June, 1905, and it is stated that he is squatting on the N.E.¼ of section 35. (Ref. 911150).

As to the claim last referred to, it does not appear possible to entertain it the claimant being under eighteen years of age, but with regard to the claims of Mr. Louis Clark and his son Mr. W. Clark, in view of the facts above stated I think the Canadian Pacific Railway Company should be asked to relinquish their claim to the S.½ of the section in question and to accept a half-section of available land in lieu thereof.

Sir,

Referring to your letter of the 8th June last, respecting the case of Mr. Louis Clark, of Battle Lake, and his two sons, who settled upon three quarters (3/4) of unsurveyed land in Section 33, Township 54, Range 11, West 2nd Meridian, I am directed to say that the claim of this section was reported by the Canadian Pacific Railway Company on the 8th December, 1891, as part of its land subsidy. As it appears from the evidence submitted by the Agent of Dominion Lands at Brandon that Mr. Louis Clark, who applies for entry for the N. E. ¼ of the section, has a house valued at $200.00, stabling at $400.00, A stone silo at $100.00 and 7 acres of land broken, and that Mr. T. Clark, who applies for the S. E. ¼, has a house worth $30.00 and 10 acres broken on the same farm, and has been residing on the land for three seasons, the Land Commissioner of the Canadian Pacific Railway Company is being asked if the Company would be willing to make an exchange in this case in order that the owners might obtain homestead entries.

With respect to the application on behalf of Mr. Thomas Clark, who will be eighteen years of age on the 2nd June next, and who is in occupation of the S. E. ¼ of the section, his case will also be submitted to the Land Commissioner of the Railway Company so that if the exchange is granted the family may obtain homesteads adjoining each other.

Your obedient servant,

Secretary.

Memorandum:-

Mr. John J. Mooney has homestead entry for the N.W. 1/4 of Section 36, Township 6, Range 2E, West Fourth Meridian, but failing, after digging two wells thereon, to obtain water, he was compelled to dig another well upon the S.E. 1/4 of Section 1, Township 7, Range 2E, West Fourth Meridian, and has made application to be allowed to purchase the latter-mentioned land. The Homestead Inspector has now reported that Mr. Mooney has substantial improvements upon his quarter-section; and that he has been compelled since 1903 to obtain water for his house and stock from the well he dug on the S.E. 1/4 of Section 1. The Inspector also reports that the land is very stony and only fit for pasture and recommends that it be sold to Mr. Mooney at $2.50 per acre. The usual letter for payment in the records here.

Sir,

In reply to your letter of the 27th June last, I am directed to say that under the law a settler is entitled to enter for a ¼ Section only as a homestead, the privilege of purchasing a ¼ Section as a preemption in connection with a homestead having been discontinued some years ago. There is now no authority under which a person can acquire a ¼ section by purchase, as all Dominion Lands are withdrawn from sale, and the even numbered sections are held for homestead entry exclusively. Your request to be permitted to purchase the S.E. ¼ of Section 34, Township 40, Range 12 West of the 4th Meridian which adjoins your homestead, the N.E. ¼ of the said Section cannot therefore be acceded to.

Memorandum:

With reference to my memorandum of the 16th May last (marked) relative to Mr. A.N.McDougall's claim to certain lands in Township 36, Range , West of the 5th Meridian, I beg to say that Mr.McDougall, who was then, in accordance with the Minister's decision, that if he could establish his claim to the S.W.¼ of Section 1 in this township, it might be sold to him at $2.00 per acre, was also sent him to be filled in.

Mr. McDougall appeared at the Land Office and stated, with the letter of the 16th May before him, that he had settled on the land in question in the year 1882 (the first he knew of it) and had since lived on his father's section. He stated further that all the land in cultivation (10 acres) had been broken and cropped; also that after the first two years he had lived on said "homestead, I lived on my father's place and had land broken for-"ward to the amount of 10 acres, and kept a herd of cattle during "the winter months."

The survey of the land in question was approved on the 8th June, 1881, and as Mr.McDougall states that he went into residence in 1882, he would not appear to have squatter prior to survey.

Mr. Dixon,

It has been decided to allow Mr. McDonnell to acquire the North West quarter of 25, 24, 6, West of the 5th Meridian, at $3.00 per acre. It might be explained to him that although he has been in occupation of this land for a considerable time he is not a squatter before survey, and further, as the land is a part of an odd numbered section the best that can be done for him is to allow him to purchase at the figure above mentioned.

The Deputy Minister

Memorandum;

Fract. N.½ of 20--21--11, W. 4th M.
Homestead - 16th November, 1915.
Harry Styrec.

Mr. Styrec's entry covered approximately the 79.7 acres shown according to survey as lot "A" herewith, although it will be observed that according to the application for entry the area given is 7.1 acres only. Possibly, however, the 7 acres mentioned in the application includes the balance of the lot not covered by the entry.

Mr. Styrec writes, stating, inter alia;

"In this place, there is no other piece of land open for entry around me, and the soil is very low, and I would like if you could allow me to enter this piece of land."

The surveyor reports that the land is not suitable for cultivation, being low and swampy, and that the water was six to eight feet deep in places. He recommends that the entry be cancelled as a water lot.

MEMORANDUM:

I beg to submit herewith the application of Mafte Zacharuk (homesteader of the NW¼ of Section 29 Township 58, Range 15, West 4th Meridian) who desires to purchase the fractions of land lying on the western and also on the southern boundary of his homestead between the same and the Saskatchewan River. He gives no reason for desiring to purchase other than that the parcels asked for could be of no use to the parties acquiring the balance of the quarter sections in which they are situated on account of their being on the opposite side of the river.

The lands applied for are the fractional NW¼ of Section 30, the NE corner, containing about 29.6 acres, and also the NE corner of the SW¼ of Section 29, containing 34.8 acres. The lands are clear in the records of this Branch, but Section 29 is reserved for school purposes except that the same was open to squatters in occupation February 3rd 1903. Applicant himself secured his homestead viz. the NW¼ of said Section 29, under these conditions. These said lands appear in sketch hereunder.

Referring to your purchase of the above mentioned land I beg to say that at the time you purchased the parcel, according to the plan of the township then in existence there were 24.00 acres of land therein.

Since that time the banks of the river have changed and according to the new survey there are now 38.20 acres of land in the parcel.

The new plan of the township has not yet been published but when it is received the issue of your patent will be proceeded with provided you remit a further payment for the increased area of 5.60 acres at the rate of $3.00 per acre, amounting to $16.80.

Gentlemen:

Re- fraction No [illegible] Twp 48 Rge 10 W4th

Received your letter of Feb 15th inst
and it surprised me very much.
You want me to pay $16.50 more than Sanghter.
If I knew that you would deal that way
with me I would not touch that fraction at all.
In the first I was told by Dominion Land Office at
Edmonton that there were only 27.60 acres in
that much I deny it, because in 1915 when
the Saskatchewan River rose 14-5 feet high
you ought to see how much it broke off from
bank's. I am not mistaken it broke off
more than 5 acres from the said fraction
and about 3 acres from mythe instead.
In that by the river broadened very much
since that flood, and every Spring is breaking
more and more. I report that to your office
in Edmonton, they told me to write to you
about, and that your office will send the surveyors
to see how much it broke off
Now, Gentlemen, I want you

MEMORANDUM:

Referring to your memorandum dated 26th March, on file 913039 herewith, the areas of the part of the northeast quarter of section 30-58-15-4, east of the river furnished on the sketch accompanying my memorandum dated November 2nd hereunder, were calculated from the survey of the river made by H. M. R. Soars, D.L.S., in August last year. His plan shows that there is a fifty foot cut bank through a portion of this land, and that in the southwest quarter of section 29 the bank is twelve feet high, this information being shown on the sketch herewith. In seasons of flood the river will no doubt overflow the low banks and wash parts of them away but this is true of many rivers. The areas supplied are correct for this part of the quarter section according to the latest survey.

Mr. Czumer's contention, if I understand him correctly, is not that there are not 35.20 acres in the parcel, but that "the flat (the low banks)" are useless to him. As you know, our surveyor could not undertake to decide whether the land would be useful to Mr. Czumer or not: he only measured the number of acres in the land lying above water.

MEMORANDUM:-

Referring to your memorandum dated May 6, on file 913039 herewith, I do not consider that the patent for the fractional northeast quarter of section 30--58-15-4 east of the river, should be issued from the township plan dated 30th August, 1912. The purpose of making resurveys of water areas is to ascertain the correct land areas. In this case we know the correct area and the patent should not be issued for an area which we know to be incorrect.

The shape of the river is such that it must have been wearing away instead of building up land on the east side of the river in this quarter-section, and it would, thus, appear that the survey shown on the plan dated 30th August, 1912, was considerably in error.

Would it not be acceptable to the purchaser to offer him a patent for legal subdivision 16 containing 27.2 acres and refund him the difference? This legal subdivision adjoins his homestead and practically all contains the high land which he claims is all that is of any use to him.

In your memorandum of April 25 to the Controller of Patents, you credit Mr. Csumer with the statement that there are not 35.20 acres of land in the parcel. I do not understand that to be his contention. What he says is that the flats (the low banks) are useless to him and that only 20 acres can be used. He appears to be under the impression that the survey from which the area 35.20 acres is calculated was made years ago: he should be told that it was made in August of last year.

I beg to acknowledge the receipt of your undated letter requesting the area of the above mentioned parcel of land, and to say that the matter was submitted to the Surveyor General who reports that the correct area of this parcel is 35.20 acres, and that the survey defining such area was made in August of last year.

He further suggests that the grant to you might, if acceptable, be made for legal subdivision 16 amounting to 27.20 acres, and a refund of the difference of area paid for by you, namely 2.40 acres at the rate of $3.00 per acre amounting to $7.20, be made to you.

Please see sketch enclosed showing legal subdivision 16 and say if this will be acceptable to you.

Referring to your letter of the 28th of December last, copy of which I attach to this communication, I would esteem it a favour if you would kindly inform me what disposition is to be made of the above named property, and if I have any opportunity at this date of purchasing same from the Department direct.

The Secretary of the Department of Interior.
Ottawa, Ont.

Dear Sir,-- Re S.E. 17-1-4.

I am instructed that this quarter section is still the property of the Dominion Government, having been set aside as a quarantine ground for the cattle when the C.P.R. main line of the I.R.C.P.P., now at Twin Lakes was located on the St. Mary's River. This quarter section has become overgrown with Canada Thistle, and is a standing menace to the people owning adjoining land to the west of it, on account of the prevalence of west winds. I have been requested by Mr. N. H. Nelson to notify you of this, in order that if something could be done by your department before the thistles are ripe, to remove the trouble.

Yours truly,

Sir,-

I beg to acknowledge the receipt of your letter of the 31st July last, in which you state that the North East quarter of Section 17, Township 2, Range 24, West of the 4th Meridian, has become over-run with Canadian thistles, and that you are requested, by Mr. T. M. Nelson, to enquire if so cannot be done by this Department to remove these thistles.

I may say that the question of the removal of noxious weeds from stock-watering reserves, and lands formerly held for that purpose but not yet disposed of, is under consideration, and as soon as a decision has been arrived at you will be further advised.

Re Cancelled Stock Watering Reserve.

The Irrigation Branch has reported this land as being clear.

The Land Patents Branch report shows right of way patented to Irrigation Company; also right of way patented to the Alta Ry Company; the balance vacant.

On the Timber & Grazing File there is a report furnished by the Inspector of Ranches, which shows that the North East Quarter is fairly good land; that about 125 acres could be broken, and that the land is worth $11.00 per acre. On the South West Quarter there are 100 acres which can be broken. this land is fine for farming purposes and is worth $10.00 per acre.

As there is nothing else shown on file, I presume these lands may be reserved in connection with the Soldier Settlement Scheme.
